Enriching and Transforming Workshop On

THE LIFE OF I

By Swami Ishwarananda

This book written by Swamiji is about personal transformation and the discovery of the true Self. In the style of Upanishads, it presents dialogues that breaks down complex ideas in to simple, practical ones to all, for the new traveler as well as for the determined seeker.

Books are available for sale, but if you already have the book, please bring it with you. To gain the maximum out of the workshop, read the book once. Swamiji will highlight the Sadhna from the book for us to practice in daily life.
